BENJAMINS ADD TO WEST TA, TAMPA, FL

Built to last and reimagined for today's living, this solid concrete block home (1994) with a 2021 roof has just undergone a complete designer-led remodel in 2025. Every detail has been elevated—this is not a basic flip, but a thoughtfully executed transformation that combines quality construction with a fresh modern aesthetic.

Step inside to light-filled living spaces with wide-plank engineered wood flooring throughout (no carpet), all new recessed lighting, solid-core interior doors, new trim and baseboards, and designer-selected fixtures and fans. The open-concept living room flows seamlessly into the kitchen and screened patio, creating a natural hub for entertaining. The kitchen features quartz countertops, a sleek tile backsplash, modern cabinetry, stainless steel appliances, and island seating for two.

The home offers 3 bedrooms plus a flexible bonus room that can function as an office or dining area, and 2 fully remodeled bathrooms with all new vanities, fixtures, and tile work. The primary suite includes a spacious closet and a beautifully updated bath.

Curb appeal has been redefined with new professional landscaping, landscape lighting, fresh exterior paint, and a covered carport. High ceilings, abundant natural light, and a highly functional layout make the home feel

even larger than its footprint.

Situated in North Hyde Park just blocks from the University of Tampa, Downtown, Julian B. Lane Riverfront Park, and the Tampa Riverwalk extension, this location places you near Psomias dining and the Bryan Glazer JCC.
