

\$1,275,000 - 4493 38th Way S, ST PETERSBURG

MLS® #A4556294

\$1,275,000

3 Bedroom, 2.00 Bathroom, 1,820 sqft

Residential on 0.23 Acres

BROADWATER UNIT 2 BLK L REP, ST
PETERSBURG, FL

An opportunity like this doesn't come along very often - priced substantially below December 2022 appraised value! This property offers an ideal location, a generous size lot and a spacious home with so much potential. As you enter, the home has a light, bright and open feel. The updated kitchen was designed with gourmet cooking in mind. You'll enjoy entertaining in this chef's kitchen with two work stations, custom cabinets, a 6-burner gas Wolf range with commercial hood, custom butcher block countertops, built-in stainless steel refrigerator, two sinks, and other discerning features! Also off the kitchen is a 17'x7' storage room which would make for a great pantry or a cellar for an extensive wine collection. The laundry is currently located in the garage but could also be moved to the storage room. On the other side of the home, the large master suite offers two generous walk-in closets, updated bathroom and a 12'x12' sitting room/office space. The two guest bedrooms have beautiful terrazzo floors and share the chic vintage hallway bathroom. Outside it only gets better! Just past the 30'x12' covered patio is the heated saltwater pool. Beyond that is the reinforced sea wall with newer cap and the Trex dock featuring electric service and a practically new 13,000lb boat lift. There is plenty of room for cars and other toys with the two-car garage and circular driveway. This home has been well-maintained inside and out with recent completion of the

exterior and interior paint, tile roof restoration, and the master bath renovation. Conveniently located near the north end of the Skyway Bridge, you'll find yourself minutes from everything. Take a bike ride to Publix or CVS, a short drive to countless restaurants and shops (including downtown St Pete just 10 minutes away!), or pop over the Pinellas Bayway to the beautiful sand, waves and sunsets of St Pete Beach. If you prefer watercraft as your mode of transportation, the canal accommodates deep-draft powerboats and sailboats with only one 65' high bridge between you and the Gulf of Mexico. You'll have quick access to Boca Ciega Bay for paddleboards/kayaks and a short ride to waterfront dining options. This home's location and features are hard to beat!

Built in 1971
